

VETERAN LEGISLATION

13 December 2013

There are 6,505 bills and resolutions containing 3,070 amendments currently before the United States Congress. Of those, on average only about 5% will become law. They must be enacted before the end of the 2013-2015 session (the “113th Congress”). To date only 55 laws have been passed by both chambers and sent to the President for signature. As of 13 DEC, of the 3711 House and 1804 Senate bills introduced in the 113th Congress, the ones listed below are of interest to the non-active duty veteran community. A good indication on the likelihood of a bill of being forwarded to the House or Senate for passage and subsequently being signed into law by the President is the number of cosponsors who have signed onto the bill. An alternate way for it to become law is if it is added as an addendum to another bill such as the annual National Defense Authorization Act (NDAA) and survives the conference committee assigned to iron out the difference between the House and Senate bills.

To locate a summary of all House/Senate bills and resolutions in numerical order go to <http://beta.congress.gov/search?q=%7B%22source%22%3A%22legislation%22%7D#> and select “Ascending” or “Descending”. This **Congress.gov** site will display up to 500 bills per page (selectable) and each item’s bill number, short title, sponsor and date introduced, number of cosponsors, last major action, and how far it is advanced in the legislation process to become law (i.e. passed House | passed Senate | sent to President | Became law). To see what the original title was (i.e. what the bill is intended to do) , complete text, amendments, or related bill numbers click on the bill number.

Congress.gov is the official source for federal legislative information. It replaces the nearly 20-year-old THOMAS.gov site with a system that includes platform mobility, comprehensive information retrieval and user-friendly presentation. It currently includes all data sets available on THOMAS.gov except nominations, treaties and communications. These data sets will be added throughout 2014. THOMAS.gov will be permanently retired by the end of 2014. Until that time it will remain accessible via the link <http://thomas.loc.gov/home/thomas.php>.

The Following Color Codes Apply to the Bills Listed Below

1. Bills that are being pushed by various veterans groups for passage include a website highlighted in red which if clicked on will take the reader to a preformatted message for automatic transmission to their legislator requesting he/she support the bill.
2. Bill numbers that have passed either the House or Senate and have been forwarded to the other chamber or the President for action are highlighted in Green.
3. Bills that have passed both chambers of Congress and been signed into law are highlighted in Blue.
4. Bills that the RAO considers to have the highest priority are highlighted in Yellow.
5. Bill numbers that have been incorporated in other bills are highlighted in Gray.
6. Bill numbers and titles in violet (if any) are new additions to this summary.
