

Massachusetts Vet License Plates

The state of Massachusetts has available 21 specialty plates for veterans which are shown below. In addition, they will provide Veteran Service Decals for passenger cars and motorcycles plus Veteran War Time Decals for passenger cars only. War time Decals read:

- Grenada Rescue Mission
- Iraqi Freedom Campaign Ribbon
- Korea
- Lebanese Peace Keeping Force
- Operation Enduring Freedom
- Panamanian Intervention Force
- Persian gulf
- Vietnam
- WDDC
- World War II

Eligibility to obtain plates varies with the type of plate desired. Also, different plate types require different application forms and procedures to obtain. All plates require some type of documentation to verify eligibility. Plates and decals are no charge except for Veteran and National Guard plates which initially cost \$50 for registration and \$40 for the specialty plate. Proceeds from the Veteran special plate fee go to the Chelsea and Holyoke Soldier's Homes.

Both plates are renewable every two years. A list of RMV (Registry of Motor Vehicles) offices with hours of operation and location info is available at <http://www.massdot.state.ma.us/rmv/main/BranchInfo/Map.aspx>. To obtain specific requirements for each plate click on the plate title below.
