

VETERAN LEGISLATION

28 June 2011

Of the, 70 & 18 House/Senate Joint Resolutions, 62 & 23 House/Senate Concurrent Resolutions, 336 & 207 House/Senate Resolutions, 505 & 465 House/Senate Amendments, 2403 & 1282 House/Senate bills introduced in the 112th Congress as of 13 JUN, the following are of interest to the non-active duty veteran community. A good indication on the likelihood of a bill of being forwarded to the House or Senate for passage and subsequently being signed into law by the President is the number of cosponsors who have signed onto the bill. An alternate way for it to become law is if it is added as an addendum to another bill such as the annual National Defense Authorization Act (NDAA) and survives the conference committee assigned to iron out the difference between the House and Senate bills. At <http://thomas.loc.gov> you can review a copy of each bill's text, determine its current status, the committee it has been assigned to, who your representative is and his/her phone number, mailing address, or email/website to communicate with a message or letter of your own making, and if your legislator is a sponsor or cosponsor of it. To separately determine what bills, amendments your representative has sponsored, cosponsored, or dropped sponsorship on refer to <http://thomas.loc.gov/bss/d111/sponlst.html>. To review a numerical list of all bills introduced refer to <http://thomas.loc.gov/bss/111search.html>.

The Following Color Codes Apply to the Bills Listed Below

1. Bills that are being pushed by various veterans groups for passage include a website highlighted in red which if clicked on will take the reader to a preformatted message for automatic transmission to their legislator requesting he/she support the bill.
2. Bill numbers that have passed either the House or Senate and have been forwarded to the other chamber for action are highlighted in Green.
3. Bills that have passed both chambers of Congress and been signed into law are highlighted in Blue.
4. Bills that the RAO considers to have the highest priority are highlighted in Yellow.
5. Bill numbers that have been incorporated in other bills are highlighted in Gray.
6. Bill numbers and titles in violet (if any) are new additions to this summary.
